Highly motivated and enthusiastic final-year Computer Science(AIML) student with foundational knowledge in web development and a strong willingness to learn. Seeking an internship or entry-level opportunity to gain hands-on experience, enhance my technical skills, and contribute to real-world projects while learning from experienced professionals.

EDUCATION

B.Tech in Computer Science Specializing in Artificial Intelligence and Machine Learning, Avanthi's St.Theressa Institite of Engineering and Technology, Garividi, Vizianagaram Dist.   **Expected 2026**
CGPA: 8.11/10   AP, India

Intermediate (MPC), Sriram Junior College, Garividi   **2020 - 2022**
Percentage: 83%   AP, India

SKILLS

Programming Languages	C, Python, HTML, CSS , JavaScript (Learning)
Frameworks/Libraries	Bootstrap (Basics)
Databases	MySQL (Basics)
Developer Tools	Github,VS Code
Certifications	Basics of Python (Infosys Springboard)	Web Development Bootcamp (Udemy)	Html / Css Fundamentals (Edx)	TCS iON Career Edge - Young Professional

INTERNSHIPS

Artificial Intelligence and Machine Learning Intern | IBM SkillsBuild platform   june 2024 - july 2025

- Completed intensive 6-week internship program focusing on AI and Machine Learning fundamentals.
- Gained hands-on experience with Python programming and essential libraries including NumPy and Pandas.
- Applied data preprocessing techniques and implemented basic machine learning algorithms.
- Acquired foundational knowledge in AI/ML concepts and their practical applications.

Web Development Intern| Excelr platform   December 2024 - February 2025

- Completed 2 months online internship program focusing on front-end web development fundamentals.
- Gained hands-on experience with core web technologies including HTML, CSS, and JavaScript.
- Developed skills in building responsive and interactive web pages from scratch.
- Built foundational knowledge in front-end development and modern web design principles.

PROJECTS

Personal Portfolio Webisite

- Developed responsive personal portfolio website to showcase technical skills and projects.
- Built using HTML, CSS, and Bootstrap for clean, professional web development.
- Features include About Me section, Skills showcase,Internships,social media links and Contact information.

SOFT SKILLS

- Quick learner and adaptable.
- Patience and persistence.
- Positive attitude and self-motivation.
